## DIVISION OF BUSINESS LICENSURE AND REGULATION

### SCHOOLS APPROVED TO OFFER REAL ESTATE EDUCATIONAL PROGRAMS

Pursuant to sec. RL 25, Wis. Admin. Code, the following are schools that have been approved to teach real estate educational programs. The pre-license educational requirements are 72 hours for a salesperson and 36 hours for a broker unless the applicant is licensed to practice law in Wisconsin or can submit proof of having applicable semester hour credits from an accredited institution. Semester hour credits must be in real estate or real estate-related law (10 credit hours for salespersons and 20 credit hours for brokers). All education for the salespersons or brokers exam must be completed prior to taking the exam.

All licensees (except for persons who were licensed for the first time during 2003-2004) must complete 12 hours of continuing education during the 2003-2004 biennium. In lieu of continuing education, licensees may take a test-out exam administered by the same company that gives the licensing examination. The test-out option is only available July 1, 2003 to June 30, 2004.

Please note that not all of the following schools offer all of the educational programs. Some of the schools listed are approved for "distance" education. Those schools are identified by an asterisk.
